Essential Nutrition Program

Recommended Usage of Products in Kit:

ALOE VERA GEL

Drink 100 ml each day.

Aloe Vera taken daily is one of the best nutritional supplements available. Its 200 active compounds include 20 minerals, 18 amino acids and 12 vitamins. Aloe's anti-inflammatory and restorative properties help keep the body functioning at an optimal level.

BEE PROPOLIS

Take 2 -3 tablets a day

Propolis is the protective substance gathered and used by bees to keep their hives sterile and infection free. Containing 22 Amino Acids, B- complex vitamins and fortified Royal Jelly, Forever Bee Propolis is an excellent way to help support the body's natural defences.

ARCTIC SEA- OMEGA 3

Take 2 - 4 capsules each day.

Maintain a healthy, youthful brain and heart with these Omega 3 capsules. Studies show that everybody needs to increase the amount of Omega 3 taken. These essential fatty acids feed the brain to help memory retention and mood plus they help to lower blood cholesterol and triglyceride levels whilst maintaining healthy joint mobility and a healthy complexion.

FOREVER BEE POLLEN

Take 2-3 tablets each day.

A boost to energy and stamina, Forever Bee Pollen is packed with easily absorbed vitamins and minerals. Bee Pollen will stabilize faulty metabolism and help control weight.

HONEY

Use as desired. Forever Bee Honey is a storehouse of natural goodness, This natural sweetener is easily digested by adults and children and provides an incredible punch of vitamins, minerals, enzymes, proteins and amino acids.
