Forever Aloe MPD®

(MULTI PURPOSE DETERGENT LIQUID CONCENTRATE)

Every week we use multiple detergents for cleaning. Wouldn't it be nice to buy just one multi-purpose product for the laundry, dishes, floor, and even the bathroom? Forever Living Products has introduced such a product – a liquid detergent that is highly effective and very economical to use.

Forever Aloe MPD® is a multi-purpose, liquid concentrated detergent created by FLP as a versatile cleaning product that is ideal for laundry (all types of clothes), as a household cleaner for floors, bathrooms, tile and carpet cleaning, and for hand-washing dishes. This safe, concentrated, liquid detergent is great for lifting grime, cutting through grease and removing stains without scratching or marking any surfaces. It is versatile enough to do the job of many similar products on the market, with a major cost savings for the user.

Forever Aloe MPD is phosphorus-free, making it environmentally friendly. Unlike many detergents, its anionic and non-ionic surfactants are biodegradable, thus reducing environmental and water pollution. Our non-abrasive formula contains mild aloe vera to soften and condition your hands and clothes. This revolutionary, multi-purpose cleaner is available only through Forever Living Products.
