Forever Freedom2Go®

Enjoy all the benefits of Forever Freedom® combined with the exotic flavor of Pomegranate, in a convenient, easy-to-carry pouch. Forever Freedom2Go® offers the great health benefits of our patented, stabilized aloe vera gel, plus Glucosamine, Chondroitin and MSM, and the sweet taste of antioxidant-rich Pomegranate juice.

Glucosamine Sulfate and Chondroitin Sulfate are two naturally occurring elements that have been shown to help maintain healthy joint function and mobility. Methyl Sulfonyl Methane (MSM) is a primary source of bio-available sulfur that the body needs to maintain healthy connective tissues and joint function. Glucosamine, Chondroitin and MSM combine to provide support for healthy joints

Add to these ingredients the antioxidant-rich properties of sweet-tasting Pomegranate juice (which contains more polyphenol antioxidants than red wine, green tea or blueberries) – and you have a delicious, winning combination! Not to mention, each daily serving is contained in a neat, easy-to-carry pouch, allowing you to just grab, tear open, and drink in the tasty benefits of Forever Freedom2Go™!
