

Forever Immublend

Description and Purpose

Forever Immublend is designed to support your natural defences by addressing all aspects of the immune system from its first line of defence to its last. Each ingredient in our proprietary blend is specifically chosen for the crucial role it plays in supporting your body's immune system function. It helps the body's biological defence system to operate at peak performance so you can carry on your daily routine without any cares.

Our immune-enhancing nutrient blend includes the power of lactoferrin, fructooligosaccharides, maitake and shiitake mushrooms, along with vitamins C & D and zinc for that extra boost.

- **Vitamin D** - strengthens immune cells.
- **Vitamin C** - fights free radicals.
- **Zinc** - fights free radicals and supports immune cell production.

At a glance...

- Supports your natural defence
- Provides a variety of nutrients to support immune system activity
