

# protecting day lotion SPF 20

## Moisturize and Protect

- ▶ Shields against harmful UV rays with broad spectrum mineral sunscreen
- ▶ Powerful botanicals deliver moisture and protection
- ▶ Defends skin from dark spots caused by sun aging

Start your day off right by arming your face against environmental aggressors and harmful UV rays. Nourish your skin with protecting day lotion containing broad spectrum mineral sunscreen with SPF 20. With Aloe, mushroom extract and over 20 skin conditioning ingredients, protecting day lotion provides your skin with incredible moisturizing power!

This lotion is loaded with lush fruit and herbal extracts. The Crambe plant, which is native to the Mediterranean region, has an unusually high amount of fatty acids found in its oil, which improve skin's tone and texture while being absorbed easily. We also added watermelon extract with high amounts of antioxidants to help fight against oxidative processes.

When sunscreen is applied by itself, it can be sensitizing for delicate skin. Protecting day lotion combines natural mineral sunscreens, titanium dioxide and zinc oxide, in a unique dispersion system to help it blend well and pairs them with allantoin, which is known for its gentle properties to help soothe skin.

Finally, Anastatica Hierochuntica, or the Jerusalem Resurrection Plant, has an astounding ability to survive lengthy periods of arid, dry climates, and then within hours, resurrect itself with hydration. We captured this quality to finish off this formula, making this THE ultimate day lotion.

Surround your skin in a veil of moisture and shield it from harmful UV rays with protecting day lotion SPF 20.

### ACTIVE INGREDIENTS

Titanium dioxide 2.6%, Zinc oxide 4.4%

### INGREDIENTS

Aqua, Glyceryl Stearate SE, Tricaprylin, Aloe Barbadensis Leaf Juice, Zinc Oxide, Hemisqualane, Glycerin, Propanediol, Titanium Dioxide, Coconut Alkanes, Stearyl Alcohol, Brassica Campestris/Aleurites Fordi Oil, Copolymer, Palmitic Acid, Stearic Acid, Crambe Abyssinica Seed Oil, Aloe Barbadensis Callus (Aloe Vera) Extract, Anastatica Hierochuntica Extract, Chondrus Crispus (Carrageenan) Extract, Citrullus Lanatus (Watermelon) Fruit Extract, Tremella Fuciformis (Mushroom) Extract, Sodium Hyaluronate, Sodium PCA, Allantoin, Hexylene Glycol, Caprylyl Glycol, Sodium Stearoyl Glutamate, Tocopherol, Lecithin, Ethylhexylglycerin, Galactoarabinan, Hydrogenated Phosphatidylcholine, Panthenol, Coco-Caprylate/Caprate, Gluconolactone, Pyridoxine Cyclic Phosphate, Polyglyceryl-3 Polyricinoleate, Citric Acid, Xanthan Gum, Lactic Acid, Linolenic Acid, Linoleic Acid, Tocopherol, Pentylene Glycol, Stearyl Alcohol, Glyceryl Stearate, Stearyl Phosphate, Glycerin, Oleic Acid, Palmitic Acid, Stearic Acid, Xylitol, t-Butyl Alcohol, p-Anisic Acid, Citric Acid, Xanthan Gum, 1,2-Hexanediol, Limonene, Linalool, Potassium Sorbate, Phenoxyethanol, Sodium Benzoate.

### CONTENTS

1.7 FL. OZ. (50 mL)
